Re: FOIA request; EPA-R3-2013-008635; Great Falls, Virginia

Dear Mr. Sjoblom:

This is in response to your Freedom of Information Act (FOIA) request we received on July 30, 2013. Included in this submittal is the ground water monitoring data for the vicinity of the Great Falls Shopping Center which you had requested. On September 11, 2013, you discussed the specific data you are interested in with Andre Hoyer of my staff. Such data includes monitoring results for drinking water wells, monitoring wells, and the Great Falls Shopping Center septic tank. We determined that as a non-profit entity, you qualify for a fee waiver, so there is no charge for this information.

We appreciate your concern with the condition of the Great Falls ground water. Please call me at (215)814-5462 if I can be of any further assistance.

Sincerely,

A handwritten signature in blue ink that reads "Roger Reinhart".
